

DOUBLE K POWER CLIPPER

Heavy-duty power with a lightweight handpiece. **Double K Power Clipper** glides effortlessly through hair that ordinary clippers can't cut. Handles major challenges such as full-body, matted shavedowns. Takes down coats, fast & clean, for pre-surgery prepping. 1/2 horsepower motor is housed separately in base unit, producing a more powerful stroke & greater range of motion. Handpiece is lightweight & easy to maneuver – stays cool & runs quietly. 7' long drive cable allows mobility. Variable-speed motor runs up to 4,500 SPM. Base can be table- or wall-mounted or hung from grooming arm with included chain. 3-yr manufacturer warranty. Uses Oster®, Andis® & Wahl® blades (blade not included).
